About Dada Bar + Lounge

Dada Bar + Lounge (Dada), inspired by the Dadaism art movement of the early 20th century, Dada is a living example of contrast and imagination. Dada's design elegantly incorporates the spirit of the Dadaist cultural movement; the space is infused with irony and a visual extravaganza of contrasting patterns, fabrics and shapes. The cocktail menu is the brainchild of Dada's mixologists extraordinaire. They have creatively devised a line of deliciously delectable drinks that reinforce the Dada surrealistic adventure that is anything but ordinary.
